7"	0.020"	Steel	5/8-11UNC	1-1/8"	56	9,000	0002682100
7"	0.020"	Stainless	5/8-11UNC	1-1/8"	56	9,000	0002683700

Additional Size Offerings of Osborn's TufBrush™

Trust Osborn TufBrush™ products to get the toughest jobs done quickly and efficiently. Osborn's unique design starts with quality wire. TufWire, our proprietary wire strands, offers increased rigidity and aggressiveness. Combined with a unique knot design, TufBrush products consistently remove 60% more material than standard carbon steel wire varieties. Because of the brush's state-of-the-art design, TufBrush products last twice as long as commodity brushes, which means less replacements and less downtime. Proudly made in Richmond, IN, USA.
